### ANA's Principles for Nursing Documentation

Hi, I've created two MFC applications which compile and run ok from the IDE.  
However let's say that the second application wasn't created using App wizard,  
instead I copied the first application folder and then started to rename source files  
and relevant information such as string table, version etc. so that the second  
application was different and unique respect to application #1.

## **A453 Documentation Student C | datacenterdynamics.com**

The A453 road was formerly the main trunk road connecting the English cities of Nottingham and Birmingham. However, the middle section of this mainly single-carriageway road has largely been downgraded to B roads or unclassified roads following the construction of the parallel M42-A42 link around 1990. The M42 was originally meant to pass further north than it does, and to join the M1 at ...
