Biography of Adolf Bastian, ethnologist

Psychic unity. Bastian is remembered as one of the pioneers of the concept of the "psychic unity of mankind"-the idea that all human beings share a basic mental framework. After traveling to different parts of the world, Bastian noticed similarities in different cultures.

Adolf Bastian | German ethnologist | Britannica

Adolf Bastian mapped a program for anthropological research in the nineteenth century that is still accepted in the international scholarly community today. Despite this, Bastian is not widely known as its founder. This is the first time that seminal pieces of the work of this much-neglected scholar have been translated into English.

Adolf Bastian and the Psychic Unity of Mankind: The ...

The psychic unity of humankind (or mankind) enters the anthropological lexicon in the work of Adolf Bastian (1826-1905). The idea itself, however, is too large to belong to any single person. An intimation that there is a "humanity" and that it is "one," regardless of differences of caste, age, sex, or nation, is ethnographically rare but not unique.
