## **Is there a future for electronic bill of lading..??**

According to BIMCO, Bills of lading produced in electronic format are designed to replicate the purposes and processes (such as endorsements or reservations) of their paper equivalent so as to offer "functional equivalence". Electronic bills can, if required by parties in the trading chain, be replaced by paper bills of lading at any point.

The BIMCO clause. The new BIMCO electronic bills of lading clause has been driven by demand from the shipping community for a charterparty clause clarifying the conditions under which owners will issue electronic bills. Below we set out (in italics) and explain the wording of the draft BIMCO clause.

### **BIMCO electronic bill of lading clause: another step in ...**

In response to this demand, BIMCO brought together a group of charterers and owners to develop a new clause for charter parties that specifically addresses the use of electronic bills of lading (paperless trading) systems. Bills of lading produced in electronic format are designed to replicate the purposes and processes (such as endorsements or reservations) of their paper equivalent so as to offer “functional equivalence”.
