In Business Ethics: A stakeholder and issues management approach, Weiss explains myth 1 "ethics is a personal, individual affair, not a public or debatable matter" (2014). I personally believe that morals and ethics are developed and instilled in us in our daily lives, meaning that they can be learned and be used in both a professional and personal setting.

## **Bing: Business Ethics Stakeholder And Issues**

Business ethics is a two-part notion. Part 1 defines business—the combination of stakeholders organized to seek some objective. Part 2 adds in ethics—the set of moral principles that guide decisions about what is good for individuals and their society. Business ethics, Phillips argues, gains legitimacy through furthering norms of reciprocity, or two-way fairness.
