The Fire Catcher is an interesting story about a real time in history where life, survival, love, hate, religion and power, often clashed in most unusual and sometimes horrific ways. It's a book that's hard to put down, but an emotional relief when it ends. Hope the "Thief Taker" lives on the pages of Book 3.

Thoroughly enjoyed the second book in the Third Taker series. An entertaining romp through the Great Fire of London with enough gusto to help you overlook some of its weaker points (as other reviewers have pointed out, there are one too many 'quick escape' scenes and a dusty love story which gets in the way of a great read).
