Inside the Mind of Xi Jinping is an interesting look at the ideological background and policy directions of China's current president. It is readable and engaging, and focuses more on presenting Xi's stances and actions, rather than engaging in in-depth personality analysis. Enjoyable and useful for either a casual or academic reader.

Tim Urban knows that procrastination doesn't make sense, but he's never been able to shake his habit of waiting until the last minute to get things done. In this hilarious and insightful talk, Urban takes us on a journey through YouTube binges, Wikipedia rabbit holes and bouts of staring out the window -- and encourages us to think harder about what we're really procrastinating on, before we ...
