Management Control Systems: Performance Measurement ...

Essentially what they are saying is that a management control system is a tool businesses can use to measure its performance and to compare its desired objectives against its actual objectives. By establishing a management control system, the business makes it easier to align individual decision making with the larger organizational objectives.

Bing: Management Control Systems Performance Measurement

Strategic Planning Strategy Execution Balanced Scorecard. Performance measurement and performance management may sound similar, but while they are complementary to one another, they are entirely separate strategic practices. The Balanced Scorecard creators, Drs. Robert S. Kaplan and David P. Norton, played a large role in championing these terms. In 1996, Kaplan and Norton published The Balanced Scorecard: Translating Strategy into Action.
