THE BOUDOIR POSE BOOK | Revamped and Revisited - MARISSA-INC

Timed poses need more options I specifically bought the PoseBook for the timed poses option, and I actually love this! Before getting the app, I've been finding photos online, generating random numbers, and using that number to pick a pose from my collection to draw for the next 15 seconds to minute before generating the next random number.

The Posebook by the Boudoir Divas | Book Review

Instant Digital Download In 2008 we launched our Original Posebook. It was all the boudoir poses that we knew were our most requested, top-selling, classic poses that worked with all body types. We named and memorized all the poses to allow us to focus on details during the shoot like befriending our clients and expression.

Posebook 3D 0.00 My goal for developing PoseBook 3D was to create a self-controlled tool for artists to practice their construction and rotation of heads. Not only will it be a great tool to give you a better understanding of how forms move in space, but it will teach you how to draw the same head from multiple angles.
