I have been trying to figure out how I record on my youview box but nothing in the user manual about recording. I read somewhere I need to use an external drive to record on and once it has been used for recording it will no longer be able to be used on my laptop. Tried to find out on the Talktalk community forum but cannot find out how to compose a message

Unhappy with virginmedia's latest price rise, I've decided to go back to Freeview. I've bought a Talktalk Youview Huawei DN370T through eBay, and managed to get it working. My problem now is that I don't have a User Guide or manual, so I can't do anything more than just change channels and control the volume!

This blog post provides insight, tips and solutions to problems related to the Huawei DN370T YouView set-top box, which I was given as part of a package by TalkTalk in the UK. Without doubt the box isn't the quickest, most responsive and I wish I had a newer improved model, but I find it still usable.

SIMPLY SMART TV - Plusnet

One of YouView's best features is that it's incredibly user-friendly. Catch up, for instance, is integrated right into the TV guide - just scroll back in time to the episode you want to watch. You can browse programmes by genre or channel, or select the handy 'more episodes' button if you like what you just watched and fancy seeing more.
