Land Rover - Blueprint

From the very start, the all-new Land Rover Defender was given an impossible mission. Enthusiasts needed a vehicle that could conquer off-road trails as well as any Jeep or Land Cruiser; purists demanded an SUV that had the boxy design and simple construction that made the original Defender so iconic; suburbanites craved a vehicle that was easy to drive around town and on the open road; the ...

2020 land rover defender first drive: an icon reimaged ...

Land Rover has developed a curated exterior palette with unique colours just for New Defender. A lot of body work is exposed in the interior – so the colour palettes are modular between interior and exterior. On the X derivative, the gloss black inset contrast bonnet is standard along with Gloss Black claddings.

2020 Land Rover Defender | Top Speed

The ubiquitous Land Rover gained the Defender moniker in 1991. The idea was to distinguish the traditional model from the then-new Discovery. But all along, it has been available in 90-inch short wheelbase two-door and 110-inch long wheelbase four-door variants, and they are identified by those numbers.
